26 conferred degrees at first convocation of IISER

TRIBUNE NEWS SERVICE

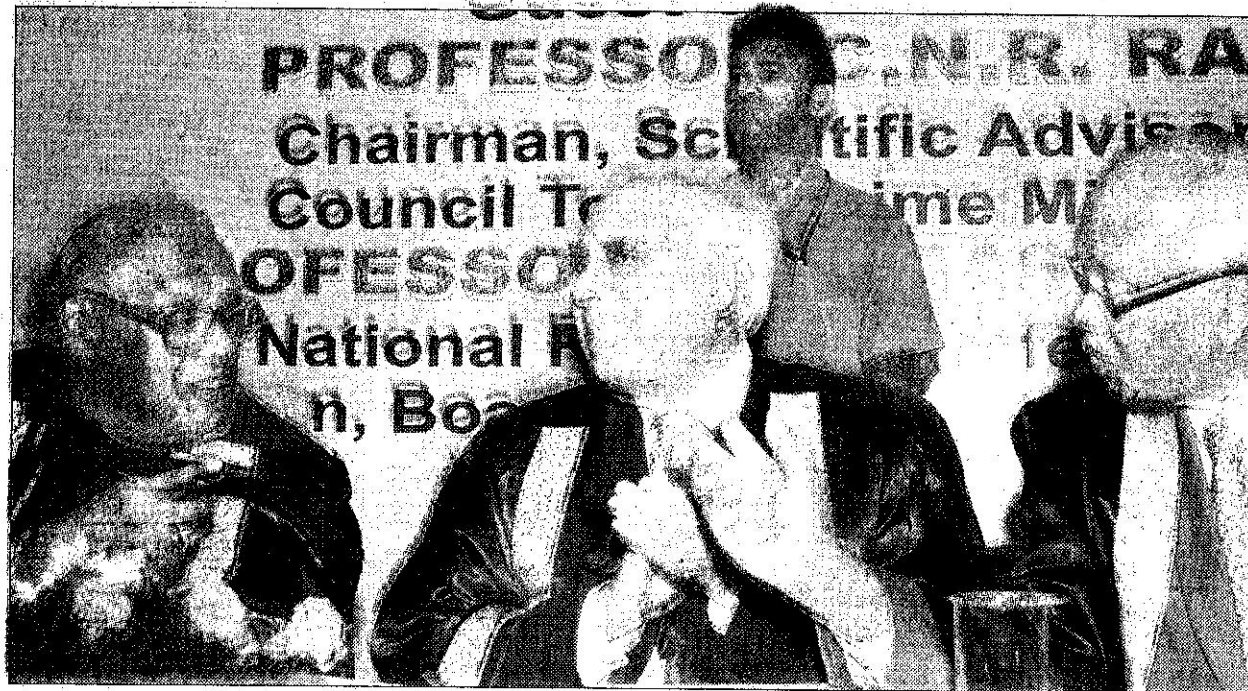

MOHALI, JULY 25

The Right to Education would be implemented across the country by March 2013, said Kapil Sibal, Minister for Human Resource Development, today.

Sibal was in the town to attend the first convocation of the Indian Institute of Science Education and Research (IISER) as the chief guest.

As many as 26 students were awarded degrees by Sibal. A lecture hall was also inaugurated by Sibal at the complex.

RA Mashelkar, chairman of the board of governors of IISER, thanked the Central government for the support in setting up of the institute.
