Station house officer (SHO), Sohana, Bhagwant Singh said, "The student jumped from the eighth floor of his hostel located on IISER premises. He left a one-page suicide note stating that no one should be blamed for his death and that though he was studying hard, he was unable to get 90% marks and was only getting 80% marks."

Singh said, "He was a native of Sant Kabir Nagar in Uttar Pradesh and came to the hostel on September 22 at around 12 noon from home after a gap of nearly 18 months. We have informed his parents and his body has been kept in the mortuary of the civil hospital in Mohali. We have initiated inquest proceedings under Section 174 of the Code of Criminal Procedure."
